

## Leadership in Action Attenborough Arts Centre - 26 June 2024

### What is the day about?

You will meet other dancers, talk to people, think about your own dance career, and take part in a dance workshop.

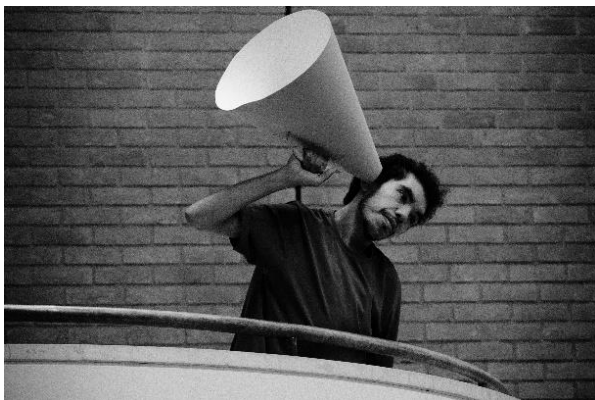

You might be asked questions about how you feel about dancing, and what things you would like to do in the future.

### Why are we doing it?

We want to find out how people become dance leaders with a learning disability and how they can develop leadership qualities.

We want to talk about how we can work together to make sure the voices of dance leaders with a learning disability can be heard.

### What will the day feel like?

Although some of the subjects are serious, we want it to be a fun day and a chance for you to express your skills and creativity.

There will be about 70 people there on the day, so it may feel busy and noisy at times.
